

DALLAS ARTS DISTRICT

Welcome!

The Dallas Arts District is a neighborhood - we are the performing and visual arts, high rise residences and contemporary office space, educational facilities and historic churches. This neighborhood of cultural achievement distinguishes Dallas as a unique cultural destination.

Our mission is to stimulate the cultural and economic life of the region through the development and promotion of the Dallas Arts District. Through your support of the Dallas Arts District, you will aid in the continual realization of this mission.

Each month, we offer our members the opportunity to attend our "Behind the Scenes" events. These events can range from tickets to a performing arts event to an exclusive tour of a new exhibit at a museum.
